# MODULAR BOX SHAFT SOLUTION

Time is money. When it comes to site time that couldn't be more true. Introducing Stubbe's Precast box shaft solution.

Following the tradition of precast products, our precast stairwells and elevator shafts boast the accuracy, strength, and quality you have come to expect from Stubbe's. Designed so we can fully install the shafts prior to your wood or steel building system.

Allowing you to optimize your projects valuable timelines.

- ✓ Accurate
- ✓ Fast
- ✓ Accessible
- ✓ Safe
- ✓ Cost Effective
